CHANGE OF EMERGENCY NOTIFICATION SYSTEM

GILPIN COUNTY, Colorado: Effective January 1, 2019 the Gilpin County 911 system will be replacing the previous *Code Red* notification system with *Hyper-Reach*. This important system allows Gilpin County 911 to contact citizens regarding emergency evacuations (Reverse 911), Gilpin County events, and other important notifications.

It is recommended that all citizens living in Gilpin County, the City of Central, and the City of Black Hawk sign up for this important service. This new service goes into effect on January 1, 2019.

Here are the 4 ways you can register for *Hyper-Reach:*

1. Text **GilpinAlerts** to 720-707-1694

2. Visit http://hyper-reach.com/cogilpinsignup.html

3. Call 720-707-1694 and an operator will get you signed up.

4. Scan this QR Code

If you do not find your address under your city, please use Black Hawk. Hyper-Reach is aware of this issue and is working on resolving this.

When disaster threatens, this system may save your life. Register with *Hyper-Reach* to keep your family safe. Register before January 1, 2019.

FOR QUESTIONS, PLEASE CONTACT VICKI NEMEC AT 303-582-5214.
